POISION

By:Sakura-na

Fan Fiction Poem

I may not talk...I don't speak at all

My actions do the talking for me

Full of hate and rage it consumes me,entirely

As the red,hypnotic blood drips down from my knife

I feel satisfied,destroying the lives and creating scars and insanity

Everyone will pay dearly for their sins now...

Like a snake,I bare my vicious fangs to bring and give fear

And when I bite,poision enters the blood

Slowly,but surely death shall come

Death is midnight runner...

I am poision to this hell on earth

And I won't die... I refuse to die

Because you cannot kill what you did not create...

So... what do you think? I added some lines from a AFI and Slipknot song, I think

it makes it more darker... P Please read and review! Arigatou.
